Windows Operating System: Win 2000 / XP / 2003/2008 / Vista / Win7/8 or later is required. See the web site for more specific information. You may email support@stratfordsoftware.com with any questions. There are no refunds, so please be sure you get all your questions answered before purchasing. We recommend that you download the free trial version (exactly the same program - fully functional – the only difference is that there is a maximum of 25 patients) and try it before you purchase.

We require a credit card and automatic billing if you restart support.
